

**PLEASE DOWNLOAD FOR MANAGEMENT/ COLLEAGUES/
FRIENDS REFERENCE.**

APPENDIX 1

- (1) No smoking inside field or on any carpeted surface/area.
- (2) Customers to check on own equipments before playing. Items :-
 - **Compressed Air Tanks** :It is the customer's responsibility to check their Carbon Fiber tanks or ANY other compressed air tanks for serviceability/life span. Customers caught with **EXPIRED/CRACKED/FAULTY REGULATOR** tanks will have their tank system impounded/confiscated till their departure from field. All tanks must be made by certified manufacturers and complies with ASTM specifications. Tanks with DOT/TC/EC markings are compulsory. **NOTE : Werd Training Facility uses filling stations that regulates to 4500psi/310bar. DO NOT FILL YOUR 3000psi tanks to 4500psi! Ask for assistance/advice before filling up your 3000psi tanks.** WERD TRAINING FACILITY SDN BHD reserves the right to do random checks on player's tanks and to confiscate it should the tanks are not safe to be used.
 - **Paintball Markers** : Personal markers are to be tuned correctly to safety requirement before any game. All markers must be adjusted to shoot below 300 feet per second (299fps and below) Paintball markers must be operated according to manufacturer's

manuals & recommended settings. Any modifications that are bound to be hazardous to other customers will be rejected for use.

- **Goggles/Mask** : Use goggles/mask which are meant for paintball use, within manufacturer specifications. Other types of goggles that are not meant for paintball will be confiscated till their departure from field. Check for lifespan, serviceability and cracks before every game.

- **Playing Gears** : Wear proper attire. Paintball gears are recommended. However, long sleeves/pants and sport shoes are very much welcomed. **No football boots with long/sharp studs are allowed at all times.** Futsal shoes with short studs are allowed.

(3) Werd Training Facility will only allow customers to fill up air during their game. No Fill-Up-And-Leave practices.

(4) Werd Training Facility will not be held responsible for any lost/missing items during customer's visit. Please keep all belongings within view or have someone monitoring it.

(5) Customers to check the facility for any faulty/expired/potential hazardous equipment at all times and to inform our staffs immediately.

As follows :-

(a) **Nettings** – Holes, Tear, Within The Required Height, Entrances are well covered, etc.

(b) **Paintballs** – Up To Standard, breaks good, etc.

(c) **Air System** – Air Banks Hydro Tested, Expiry Date, Certified Accessories, Air Hose Condition, etc.

(d) **Chrono Station** – Within safety specification, Fully Netted, Tear, Holes, Correct Equipment, etc.

(e) **Paintball Markers** – Working condition, serviceability,

operate within manufacturer's recommendation, barrel socks in working condition, etc.

(f) **Facilities Provided** – Toilet condition, serviceability of other equipment/facility, player's area, playing ground (turf/grass) condition, bunker condition, pegs are hammered into ground securely, etc.

(6) No Dry-Firing in Player's Area. A few shots are tolerable, but not repeatedly.

(7) Goggles **ON AT ALL TIMES DURING GAME/PRACTICE/IN THE FIELD.**

(8) Shooting of paintballs over the nettings.

(9) Shooting of paintballs directly at the nettings/poles on purpose, or directly at spectators.

(10) Using outside paintballs. Confiscation of paintballs and corkage fee will be charged. MYR30.00 per pod & MYR85.00 per bag of 500's.

(11) No sales transaction of paintball markers on-site. (Not a meeting point to sell/collect markers)

(12) No 'replica' markers are allowed on-site.

(13) Heavy/Big Gear Bags to be placed on ground, not on any chairs/tables provided.

(14) Werd Training Facility reserves the Rights Of Admission to their facility at their discretion. Rejection On-Site will be imposed for :-

(a) Not following the House Rules stated above.

(b) Creating nuisance to others.

(c) Fighting / Loud cursing / Unwanted Confrontation with others.

(15) No alcoholic beverages at all times.

NICE TO KNOW, NEED TO KNOW :
Please forward this to your friends/colleagues, *especially* first timers playing paintball.

- (1) Long sleeves shirts, long pants/jeans are recommended. Not too thick to avoid dehydration. Wear old unwanted shirts/pants. It's meant to get dirty with paintball splats.
- (2) Sports shoes are recommended. Football shoes with long studs are not allowed at all times. Futsal shoes with small rubber studs are welcomed. No barefoot/slippers please. We will stop you from entering the field.
- (3) Bring spare clothing to change/shower after event. We have shower rooms provided.
- (4) You are allowed to bring your own drinks (non-alcohol drinks). Drinks are sold on site too. Mineral water & 100+ available.
- (5) Health Status : Expecting mothers & players with breathing problems (asthma, etc) are not recommended to engage in this activity unless approval from your own doctor. Please get written approval beforehand, and standby medication. Inform us or your colleagues where you store your medication and emergency contact number. Inform the whole group, not only 1 person.

- (6) Refrain your child from running around the fields collecting paintballs from the floor. Paintball splats from stray shots might occur if stand too near the nettings. Splatter can cause eye injuries as they travel at 299 feet per second! The management are not held responsible for any injuries occurred should the child be away from the parents. **Children must be accompanied by their parents AT ALL TIMES within the vicinity of Werd Training Facility. Stay away from paintball nettings at least 2 meters, to view to game.**
- (7) Group up/Organize your teams early. Do it in the office or before the event day. Grouping up teams consume a lot of time where precious time are wasted. We have to look at the weather and scheduled ending time to make sure the event complete on-time. Other bookings might interfere with your bookings as well, if delayed.
- (8) Refrain from taking selfies during game/event time. We need to get the flow moving as other people are also waiting for their game too. There's plenty of time after the event.
- (9) First Aid-Kit available on-site. Just look for any staffs and we'll attend to you.

- (10) Warm-Up. Please do some light stretching before your game. It helps and we don't want you to tear a muscle due to the intensity of the game.
- (11) Drink lots of liquid. We want you to keep hydrated.
- (12) Please keep the facility clean and tidy. We want a good & clean environment for your event too. Plenty of garbage bins around so don't be shy to use it.
- (13) Keep your valuables (phone, cash, watches, ear-rings, necklaces, etc) under 1 bag, then pass it to us for safekeeping, or ask a friend or colleague to keep an eye for you every time you play.
- (14) Come early, on-time for the event. We need everyone to attend the SAFETY BRIEFING (IMPORTANT!) before the event starts. Coming late will effect the flow as the staffs has to stepped into the field to run the event, making the late Safety Briefing not fully briefed and understood. We need to brief ALL AT ONCE, not one by one to those late-comers. Please take note.
- (15) Switch off your mobile phone to avoid interruption to the Safety Briefing. We need your full 100% attention.
- (16) Remember to have fun!
